Kindergarten

Administer the RMSE K (Reading)
Placement Test to all students

If placement states begin Lesson 1 or 11,

Then place at RMSE K Lesson 1 or 11

If placement states begin Fast Cycle,

Then administer "The Old Goat" (RMSE K Lesson 108)

*If student scored 0-5 points on Part 1 of the test, then administer RMSE K Language test and begin instruction in the language program.

Students should complete the first 40 lessons of the language strand along with PA activities from Lesson Connections K and then move into the reading strand. If time is over 1:15 (or over 6 errors), then place at RMSE K and use the Fast Cycle Conversion starting at Lesson 1 If time is less than 1:15 (less than 6 errors), then place at RMSE K Lesson 108
